TOP COASTAL
ARCHITECTS
2022

G.P. Schafer Architect

Known for: Houses designed to evoke emotion and make tradition livable for a modern lifestyle through a seamless integration of architecture, interior decoration, and landscape design.

Highlight: 2020 Bulfinch Award from the New England Chapter of the Institute of Classical Architecture & Art. **Highlight:** 2022 Julia Morgan Award from the Northern California Chapter of the Institute of Classical Architecture & Art. **In the works:** Projects in Maine, Florida, and California. *New York* gpschafer.com

Kligerman Architecture & Design

Known for: Distinctive design rooted in tradition but modern in its sculptural forms, taught detailing, glass expanses, and often a touch of whimsy. **Highlight:** New book from Thomas Kligerman and Monacelli, released October 2022. *New York*

Leroy Street Studio

Known for: Diversity of work, using aesthetics as a means to an end, and as a tool for capturing large-scale opportunities of site and landscape. **Highlight:** NYCxDesign Honoree, Social Impact Award for East Village Homes. **Highlight:** Completing several residences in New York and Long Island. **Highlight:** Collaborating on a design-build project with neighbors in Chinatown, and working with Asian Americans for Equality and Think!Chinatown on the Chinatown Nights festival. *New York* leroystreetstudio.com

Martin Architects

Known for: Engaging the modern world with organically scaled, thoughtful modern work, collaboration with clients, and dedicated relationships with craftsman. **Highlight:** 2021 AIA Honor Award. **Highlight:** Two AIA Long Island Archi Awards and an Architizer Award. **Highlight:** Completion of addition and renovation to Charles Gwathmey's Tolan House in Amagansett Dunes. **In the works:** A net-zero house in Atlantic Beach and projects in the Hamptons, Manhattan, and Riyadh. *Sagaponack* martinarchitects.com

Design by Tom Kligerman, formerly of Ike, Kligerman Barkley Architects. Kligerman recently launched his own practice in New York. John Ike works from his newly former firm Ike, Baker Velten in Oakland, California.

Above, Alexander Gorlin Architects

Peter Pennoyer Architects

Known for: Sophisticated detail, high-quality craftsmanship, and nimble balance among comfort, beauty, modernity, and continuity with the past. **Highlight:** 2021 Stanford White Award from the Institute of Classical Architecture and Art. **Highlight:** A new book of the firm's work to be published by Vendome Press in fall 2023. **In the works:** The Benson apartments in Manhattan, a Kentucky horse farm, a Moorish villa in Palm Beach, and an Art Deco house in L.A. *New York and Miami* ppapc.com

Stelle Lomont Rouhani Architects

Known for: Casual, warm modernism using rich natural materials and a strong dialog with natural surroundings. **Highlight:** Design for Deb and Hugh Jackman House published in *Architectural Digest*.

Highlight: 2022 *Luxe* RED National Design Award. **Highlight:** Opening a second office in Manhattan. **Highlight:** New monograph from Rizzoli to be published later 2022/early 2023. **Highlight:** Completing a new, site-sensitive, farm-view house in a hamlet in the Hamptons. *Bridgehampton* stelleco.com

Robert A.M. Stern Architects

Known for: Sophisticated residential, commercial, and institutional projects, from the Virginia General Assembly Building in Richmond, Virginia, to a record-breaking apartment building at 220 Central Park South in New York. **Highlight:** Transforming the Bicentennial Buildings into the Yale Schwarzman Center, recognized by the Society for College and University Planning with an Honorable Mention. **In the works:** South Flagler House, a mixed-use development in West Palm Beach. *New York* ramsa.com
